Carol Mitchell and Dana Walker to coordinate participants and monitor all getting hands-on	Dr. Kenneth Lee to walk around to all stations.  Sonographers Amy Hauri Jamie Johnson Rhonda Althaus TBD Sara Baker
1600-1630	Panel Discussion	Faculty

**Agenda For Fall 2010 WOW-US Course  
Afternoon Session Track II**

Time	Topic	Speaker
1300-1430	Interactive Case Studies	Dr. Donna Blackenbaker Dr. Kirk Davis
1430-1500	Interactive Case Studies	Dr. Donna Blackenbaker Dr. Kirk Davis
1600-1630	Panel Discussion	Faculty

## **Details**

1. Dr. Kenneth Lee will talk with Dr. Blackenbaker and Dr. Davis to ask them to participate.
2. If vendor support, Dr. Kenneth Lee will talk to guest speaker for 1100-1200.
3. Carol Mitchell spoke with Dana Walker and Dana will help with set-up and monitoring of conference with Carol Mitchell. Dana was comfortable with allowing 5 machines from the department to go over to the HSLC for the live scanning session.
4. Carol Mitchell will need to discuss with Joni Schott, Greg Spicer and Dana Walker about the department sonographer participation.
5. Dr. Kenneth Lee would like to be involved in the design of the brochure.
6. Ann Schensky will look into offering SDMS credits for this conference.
